# How to Access new Epic Storefront and add storefront to your Citrix Workspace

Open Chrome Browser

Type <https://epic.catholichealth.net>

Enter your User name, password and Domain

A screenshot of the Epic Storefront login interface. It features a dark grey background with three white input fields stacked vertically. The first field is labeled 'User name:' and contains the text 'SLEH\username'. The second field is labeled 'Password:' and is currently empty. The third field is labeled 'Domain:' and contains a dropdown menu with 'CHI' selected. Below these fields is a prominent teal button with the text 'Log On' in white.

Select "Activate Citrix Workspace App" to add the new storefront to your workstation.

### Activate Citrix Workspace app

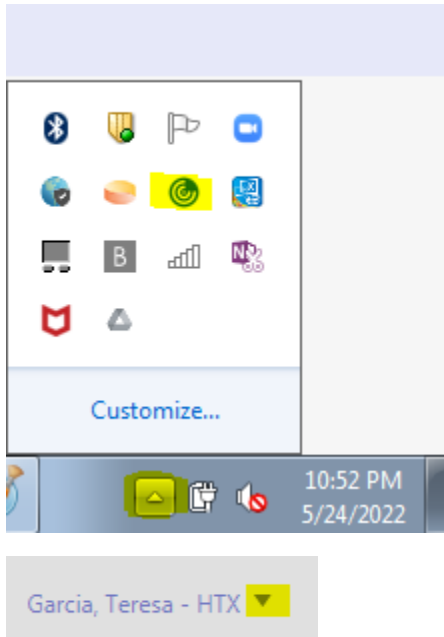

Downloads a file that adds this workspace to your local Citrix Workspace app.

receiverconfig (13).cr

Click the add button

Click on the Citrix Workspace icon on the bottom right of your screen. You may need to select the arrow at the bottom right in order to see the Citrix Workspace icon.

Select “Switch Account” and then select EpicSouth. This will then allow you to see the new icons on your desktop and within the Workspace window. The new icons will have either the CST (formerly SLH) or EST (formerly MCT) prefix depending on the time zone of the facilities you are working on.
